Operational Waste – Credit Criteria

The project has followed best practise operational waste management by using the following pathway:

[Performance / Deemed to Satisfy]

	Pathway	Description	Points Available	Points Claimed
1	Operational Waste Management – Predicted Performance	A Waste Management Plan has been developed, by a qualified waste auditor, which addresses best practice requirements as outlined in this credit.	1	[X]
	OR			
2	Operational Waste Management – Prescriptive Deemed-to-Satisfy	Best practice has been deemed to be achieved by satisfying all of the following:		
		2.1 Separation of Waste Streams		
		2.2 Dedicated Waste Storage Area	1	[X]
		2.3 Access to Waste Storage Area		

1 - Operational Waste Management – Predicted Performance Pathway

An Operational Waste Management Plan (OWMP) has been developed by a qualified Waste Auditor which meets the minimum criteria as specified in this credit.

[Insert hyperlinks to documents which support these claims]

[Provide evidence of the Waste Auditors previous experience and qualifications]

2 - Operational Waste Management – Prescriptive Deemed-to-Satisfy Pathway

Best practice operational waste management has been achieved by satisfying all of the following criteria:

2.1 – Separation of Waste Streams

Bins or containers have been provided for general public use that allow for separation of the applicable waste streams.

[Insert hyperlinks to documents which support these claims]

[Provide project drawings of location of bins]

2.2 – Dedicated Waste Storage Area

A dedicated, sufficiently sized storage area for the separation and collection of various waste streams is provided.

[Insert hyperlinks to documents which support these claims]

[Provide project drawings of storage areas]

2.3 – Access to Waste Storage Area

Access to waste storage follows best practice guidelines for collection as stipulated within the credit.

[Insert hyperlinks to documents which support these claims]

Discussion

[Insert any issues you would like to highlight and clarify to the Assessment Panel.]
